

PERSONALIZED PACKAGING AND LABELING

HARLAN O E M

- Packaged With Customer Logo
- Customer Color Scheme & Design
- Customer Name & Part Number on Product
- Bar Coding Per Customer Requirements
- Retail Ready!

Lower Your Overhead!

By allowing Harlan Corp. to ship you your parts "Retail Ready," it saves you, the customer, time and money on packaging, and labeling. You give us your logo design and color scheme, and we customize your packaging identical to your "in-house" design!

LOW COST!

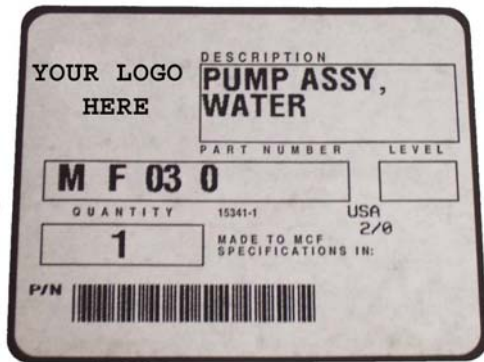

- Saves You Time and Money
- No More "In-House" Packaging
- Ready To Shelf

CUSTOM KITTING & PACKAGING

PRIVATE LABELING!

HARLAN OEM can make a vital contribution to your efforts to reduce cost on existing packaging and kitting of your products. Allowing Harlan Corp. the opportunity to get your product to you "Shelf Ready," you are drastically going to reduce the time consuming efforts of packaging and labeling your product before you are able to distribute it to your customers.

- COMPLETELY CUSTOMIZED
- INDIVIDUAL OR MASS QUANTITIES
- NO MORE "IN-HOUSE" PACKAGING

Contact a Harlan OEM account representative to find out how we can help meet your cost reduction needs...
